

Candidate Statement
Ryan Jones

I believe I bring a unique blend of high-stakes operational leadership and a deep-rooted commitment to Carolina Classical Academy. As a veteran of the United States Navy, I currently manage the day-to-day operations of a nuclear power plant. This professional background has fostered specialized expertise in risk management decision-making and a virtue-based approach to personnel management.

As part of a founding family of CCA, I am deeply invested in the school's longevity. With four children currently enrolled and a fifth joining the kindergarten class in 2026, my dedication is both professional and personal. I am focused on driving sustainable enrollment growth and safeguarding the integrity of the classical model for future generations.
